Legend:

Con – Concert Band

Symph – Symphonic Band

Winds – Symphonic Winds

JRA – Mr. Arata is the accompanist

LU – Mrs. Underwood is the accompanist

SM – Smart Music is the accompanist

TLA – Mrs. Arata is the accompanist

Travel

We expect that most of you will want to travel to and from with parents since it is a Saturday. The district policy is in effect: only parents may transport students. Parents, please send a note or e-mail if you intend to transport your son or daughter to the event. Students, please do not even ask if you can drive yourself. We will publish a bus schedule for the trip home in the coming days. It may include some travel with other teachers in the music department.

Tips for Solo & Ensemble

- Bring money for snacks in the commons/cafeteria or bring your lunch. There is no lunch travel on this trip.
- Find your room ahead of time. Be there at least 15 minutes early. If your accompanist is late, *don't stress*; tell the room monitor and go in there when the accompanist arrives. This is normal for this event, and it is normal for a room to run behind.
- Have your original copies with the measures numbered and "Eureka High School" written at the top.
 - Scores without numbered measures are penalized.
- Have your original sheet music on the stand.
 - If you or your accompanist uses copies, you will be disqualified.
- Your appearance reflects on you. Guys, wear a button-down shirt and tie or suit. Jeans and tennis shoes are not appropriate. Ladies, please think about the formality of your blouses, skirt length, etc.
- Be courteous at all times. Don't play at all in the halls or talk loudly.
- Support your friends by going to their events. Use your best concert etiquette.
 - Turn off cell phones
 - Don't talk during performances
 - Enter/Exit rooms in between performances
 - Don't distract performers
 - Clap politely (no whistling, whooping, etc.) only after all movements are finished
- Perform without starting and stopping. If you make a mistake, go on. Don't roll your eyes, sigh, cry, look at each other, giggle, etc. Basically, don't let on as if there was a mistake.
- Be confident. Speak loudly and clearly when introducing yourself and the piece.
- Be very patient with the judges. Do not try to see what rating you got. Wait at a distance until the judge has finished before asking for the score back.
- Bring your electronic tuner.
- Save all emotions for afterwards in the hallway far from the room.
- As a member of Eureka High School and the Eureka High School Band you are expected to act courteously and appropriately. Other people are connected to your behavior.

Directions to Parkway Central High School; 369 N. Woods Mill Rd., Chesterfield, MO 63017-3329

Piano accompanist

If you are signed up for Mrs. Underwood or Mrs. Arata, you will pay her whether you perform your solo or not. You have booked her and her work is now almost done. She will need to be paid for the agreement you are in regardless of illness, good excuses, or just general lack of practice and follow through.

You need to pay the accompanist no later than the performance day. You should pay someone who is doing an excellent, convenient job for you promptly.

Be nice to your accompanist. Although \$75 is a lot of money, it is a fairly low hourly wage when you consider the number of hours she has spent. She will be running around that place all day for a whole lot of you. Please represent us by being respectful and expressing sincere gratitude. Consider a thank you card when you pay her. If your piece is difficult, if it is long, or if she has given you additional practice, consider paying extra.
